

US Marine Corps Communications School

TECOM, Quantico, VA

The Challenge

The Marine Corps Base in Quantico, VA was in need of classroom space for the Training and Education Command (TECOM.) The mission of TECOM is to develop, coordinate, resource, execute and evaluate training and education concepts, policies, plans and programs to ensure Marines are prepared to meet the challenges of present and future operational environments.

The Solution

Modular Genius provided a 4,320 sqft modular classroom building. The buildings were installed on the Marine Corps base in Quantico, VA. The project was constructed, delivered and installed in approximately 60 days from award.
