

US Marine Corps Base

MCCLL, Quantico, VA

The Challenge

The Marine Corps Base in Quantico, VA was in need of office and training space for Marine Corps Center for Lessons Learned (MCCLL). The mission of the MCCLL is to support the Commandant of the Marine Corps execution of his Title 10 (Organize, Train, Equip, and Provide) responsibilities by conducting assessments of forward area operations and exercises in order to identify emerging Title 10 issues, collecting and managing the Marine Corps Lessons and TTP databases, and reporting findings, trends and issues through verbal, written and electronic media.

The Solution

Modular Genius provided a 3,600 sq ft of modular office / training building. The buildings were installed on the Marine Corps base in Quantico, VA. The project was constructed, delivered and installed in approximately 60 days from award.
