

County Police Drug Task Force Modular Office

Queen Anne's County, MD

The Challenge

A County Police Drug Task force was in need of setting up a field office to act as headquarters in a troubled part of the county. A modular building was decided to be the fastest means of setting up operations.

The Solution

Modular Genius provided a 1,440 sq ft modular field office complex. The construction and installation of the modular building inclusive site built steps, decks and ramps was complete in 60 days from award to occupancy.
